About Us

HORIZON TOWER is a recognized SME/RIYADA Company providing high-quality products and specialized services to industries such as Oil & Gas, Construction, Manufacturing, logistics, and infrastructure.

Committed to excellence, reliability, & customer satisfaction.

we offer a diverse range of solutions designed to enhance efficiency, safety, and productivity across various operations.

As a trusted provider of premium trading solutions, we specialize in supplying a wide range of products, including lifting equipment, explosion-proof EOT cranes, building materials, valves, and material handling solutions, along with expert repair, maintenance, and support services.

With years of industry experience, we go beyond just supplying products. We offer reliable repair services, corrective and preventative maintenance services of EOT Cranes to ensure seamless operations across multiple industries.

Our skilled professionals work diligently to provide tailored solutions that meet the specific needs of each client, ensuring quality, reliability, and long-term efficiency in every aspect of our services. Whether you require high-quality equipment, specialized services, or expert maintenance, HORIZON TOWER is your trusted partner for comprehensive trading and service solutions, guided by the principles of quality, innovation, and continuous improvement.

Our Vision

To be the leading provider of innovative, reliable, and safe lifting solutions, empowering industries worldwide with high-quality equipment, expert repair, and maintenance services that drive operational efficiency and safety.

Our Mission

Our mission is to deliver exceptional lifting equipment, repair, and maintenance services tailored to the needs of our clients.

Why Choose Us?

Expertise

Our team consists of highly skilled professionals with in-depth knowledge of all types of lifting equipment, repair techniques, and maintenance procedures.

Safety Compliance

We follow the highest safety standards, ensuring that all equipment supplied and serviced is fully compliant with local and international regulations.

Quality Products

We supply only the most reliable and durable lifting equipment, sourced from trusted manufacturers to ensure long-term performance.

Customer-Focused

We prioritize customer satisfaction, offering flexible solutions, responsive support, and on-time delivery of services.

24/7 Support

Our repair and maintenance services are available around the clock, ensuring minimal downtime for your operations.

Sustainability

We aim to extend the life of your equipment through regular maintenance and eco-friendly cleaning practices, reducing environmental impact.

Products

Delivering high-quality crane lifting equipment, accessories, and material handling solutions, along with premium building materials for superior performance and safety.

1 Lifting & Rigging Equipment

We supply a comprehensive range of high-quality lifting and rigging equipment designed to ensure safety and efficiency on every job. Our products include slings, shackles, lifting hooks, winches, hoists, and other rigging accessories, all manufactured to meet industry standards and provide reliable performance for various heavy-duty applications.

2 EOT Cranes, Jib Cranes, Gantry Cranes

Our range of overhead (EOT) cranes, jib cranes, and gantry cranes are engineered for precise and reliable material handling in industries such as manufacturing, construction, and logistics. With customizable options, our cranes are designed for heavy lifting, ease of use, and long-term durability, making them ideal for a wide variety of operational needs.

3 Material Handling Equipment

We offer a wide selection of material handling equipment, including forklifts, pallet jacks, conveyors, trolleys, and other tools that ensure smooth and efficient movement of goods in any workspace. Whether for warehouses, factories, or construction sites, our equipment helps reduce manual labor and increase productivity.

4 Personal Protective Equipment (PPE)

Safety is a priority in every operation. Our extensive range of personal protective equipment includes helmets, gloves, safety shoes, high-visibility clothing, harnesses, and respiratory protection to ensure that your workforce is protected from potential hazards, meeting all safety regulations and standards.

5 Valves

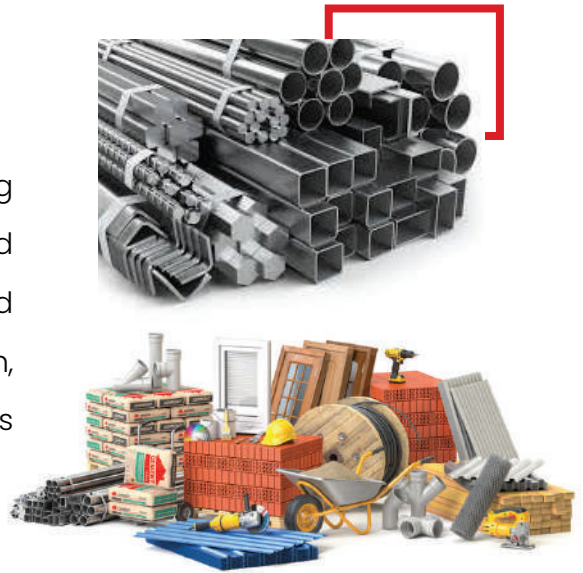

We supply a variety of industrial valves designed for controlling the flow of liquids and gases in pipelines, boilers, and other systems. Our valves are manufactured with precision and are built to handle the toughest environments, offering exceptional durability and reliable performance across a wide range of applications.

6

Building Materials

We provide a broad selection of quality building materials, including cement, steel, bricks, concrete, and insulation, among others. Our products are sourced from trusted manufacturers, ensuring strength, durability, and compliance with construction standards for both residential and commercial projects.

7

Consumables

From welding rods to lubricants, cleaning agents, and industrial adhesives, we offer a comprehensive range of consumables that are essential for the efficient running of your operations. Our products are carefully selected for quality and reliability to ensure optimal performance in all tasks.

Services

- Reliable Solutions for
Overhead Traveling Cranes**
- **Ensuring Efficiency and Excellence.**

1

Repair & Maintenance of Overhead Cranes

We provide expert repair and maintenance services for overhead cranes, ensuring that your equipment operates at peak efficiency. Our skilled technicians are equipped to handle everything from minor repairs to major refurbishments, minimizing downtime and ensuring long-lasting performance.

2

AMC Services for Overhead Cranes

Our Annual Maintenance Contract (AMC) services are designed to keep your overhead cranes in top condition. Regular inspections, timely repairs, and preventive maintenance services help extend the lifespan of your equipment, reduce unexpected breakdowns, and ensure compliance with safety regulations.
